Forest Resource Advisory Committee Meets in Saratoga, Sept. 2

(Saratoga, Wyo.) August 23, 2010 -- The MedBow-Routt Resource Advisory Committee (RAC) will meet Thursday Sept. 2, from 9:30 – 3:30 at the Forest Service Office in Saratoga, 5556 State Highway 130. The purpose of the meeting is to finalize documentation to fund some projects and discuss project solicitation for the next round of funding.

In July, the RAC reviewed and recommended projects for funding through Title II of the Secure Rural Schools Act. The Forest Service Designated Official and the RAC Chairman will sign project funding approvals at the Sept. 2 meeting.

Projects are in Routt and Jackson counties in Colorado, and Albany and Carbon counties in Wyoming, and will benefit the national forests. The public is invited to attend and will have an opportunity to comment at 3:20 p.m. For more information, please call 970-870-2187.
